IV) Optional China study trip and HSK exam

The China study trip is an optional component of the programme. We apply for scholarship funding on behalf of each CLCB student for the trip, which is subject to approval. If the application is successful, tuition fees for the study trip are covered. Flight tickets, VISA and accommodation are not covered. Each student is entitled to one study trip which is only valid during the calendar year that the student undertakes the CLCB course.

The package fee includes one free HSK exam which is subject to the student's own choice of whether to take it or not. If a student wants to take the HSK exam, it's the student's responsibility to complete their registration for an exam in CIBL within 5 months from the date the course starts. This free HSK exam opportunity is only valid during the time of the course.

V) Refunds

No refunds can be given for missed classes, except when classes are rescheduled by CIBL to a different day. No refunds policy available after payment has been made. Please note: China study trip and HSK exam are optional and complimentary modules. Therefore, no refund/discount can be given to students who decide to opt out or if the application for the China study trip from Chinese University partner is unsuccessful.

NB. Please note refunds are processed via the LSE finance division and the procedure may take up to four weeks.

VI) Overseas payments
