## ACADEMIC INTERESTS

---

### Areas of Specialization:

Moral Epistemology, Metaethics, Normative Ethics, Political Philosophy, Philosophy of Social Science, Moral Psychology, Synthetic Philosophy

## EDUCATION

---

### Ph.D. Candidate in Philosophy

**London School of Economics and Political Science** – London, England

expected Sep 2022 - 2026

Graduate Teaching Assistant for:

Philosophy of Economics - Methodology

Philosophy of Economics - Ethics

Philosophy of Society

Philosophy, Morals and Politics - Theoretical Issues

Philosophy, Morals and Politics - Applied Issues

Student Representative for the Academic Year 2022/2023

### Master of Arts in Political Philosophy

Sep 2020 - Sep 2021

**Pompeu Fabra University** - Barcelona, Spain

Thesis: "Social Science and Moral Philosophy: Disagreement, Debunking, Calibration"

Advisor: Andrew Williams

- The thesis brought recent empirical evidence from social psychology and evolutionary anthropology to bolster the arguments from moral disagreement and debunking arguments of morality.
- Courses included Global Justice, Distributive Justice, Contemporary Nationalism, Social Psychology, Research Methodology, among others.

### Master of Arts in Philosophy

Sep 2019 - Sep 2020

**King's College London** - London, England

Thesis: "Normative Uncertainty and Value Incomparability"

Advisor: Julien Dutant

- Thesis focused on the intersection of decision theory under uncertainty and ethics, particularly the possibility of commensurating values among different ethical theories into a unified meta-value.
- Courses included Ethics I & II, Philosophy of Psychology I & II, Philosophy of Science, and Epistemology.
- Attended several reading groups and did additional research on the philosophy of Wittgenstein, Quine, and Brandom.
- Earned the Associate of King's College (AKC) degree and title, where I was also awarded the Dean's Commendation for Exceptional Commitment during both years of the course.

### Bachelor of Arts in Philosophy

Mar 2015 - Sep 2018

**University of the Republic of Uruguay** - Montevideo, Uruguay

Thesis: "The Epistemological Problems of Ethics"

Advisor: Gustavo Pereira

Awarded Summa Cum Laude

- Wrote a 60-page thesis on current debates on metaethics, including the realism/anti-realism debate, evolutionary debunking arguments, and a defense of metaethical constructivism.
- My philosophy coursework focused on ethics and political philosophy. I also took elective courses in social sciences like economics and political science.
