

Dear ,

It is a pleasure to introduce myself. My name is [Andreas Sojmark](#) and I am the Programme Director for the [MSc Quantitative Methods for Risk Management \(QMRM\)](#) at [London School of Economics and Political Science](#). Moreover, I am lecturer for the core course on stochastic processes and I would be your academic mentor throughout your studies.

First and foremost, please allow me to congratulate you on your offer! It's a highly competitive and extremely rewarding degree, so you should be proud to have received an offer, and I really hope that you will join us in September.

In order to facilitate our planning, please fill in the [Offer Reply Form](#) as soon as possible after making your decision.

**What I think makes the MSc QMRM unique:**

1. A solid foundation in stochastic processes, modern numerical techniques, and statistical methods for finance and risk management through our three tailor-made core courses.
2. A maximum of flexibility through five elective courses, where you can pick and choose between cutting-edge topics in statistics, machine learning, finance, and financial mathematics. Unique to the LSE and our QMRM programme, you will be exposed to international experts in all these fields with the opportunity to take courses from across the three world-renowned departments of statistics, mathematics, and finance.
3. Interaction with London's financial industry through practitioner talks and an outstanding reputation amongst financial and insurance employers worldwide.
4. A range of fun social activities to form new friendships, network with students from our other programmes, and make the most of your time at the LSE's vibrant London campus.

**What are your next steps?**

- **Accept your offer:** Fill in the [Offer Reply Form](#) and financial undertaking form within 6 weeks of receiving your offer, if possible. Further details can be found on the [Offer Holders webpages](#). If you have questions about your application or the conditions of your offer, please direct them to the [Graduate Admissions Team](#).
- **Read the Graduate Admissions Offer Pack:** Alongside the [Knowledge Base](#), the [Offer Pack](#) is your go-to resources for frequently asked questions about

admission timelines, your offer, accommodation, scholarships and financial support and much more.

- **Join our LSE Statistics Community:** follow our [Instagram](#) and [Twitter](#) accounts.

Once again, I hope you'll decide to join us in September. If so, I'll be looking forward to meeting you! Should you have any questions, please feel free to contact me at [a.sojmark@lse.ac.uk](mailto:a.sojmark@lse.ac.uk).

All the best,

**Andreas Sojmark**

**Assistant Professor**

**MSc QMRM Programme Director**
