

Dear ,

I am [Tengyao Wang](#), the Programme Director of [MSc Statistics \(Financial Statistics\)](#) and [MSc Statistics \(Financial Statistics\) \(Research\)](#) at [London School of Economics and Political Science](#). Congratulations on your offer at this highly competitive programme! Please fill in the [Offer Reply Form](#) at your earliest convenience.

The [MSc Statistics \(Financial Statistics\)](#) and [MSc Statistics \(Financial Statistics\) \(Research\)](#) programmes:

- Provide an in-depth training on the forefront of statistical theory and methodology that is relevant to applications in finance, simultaneously enriching you with theoretical foundations and solid computational skills.
- Are run by the [Department of Statistics](#) in a stimulating and friendly work environment focused on excellence in teaching and research. In addition to the core compulsory courses that consolidate your grasp of fundamental concepts in probability and statistics, you will also have the opportunity to take various data science and finance [options](#) to build up a truly unique degree programme that is highly competitive in the job market.
- Enable you to join to our [seminar series](#), including the [Joint Econometrics and Statistics Seminar Series](#) and the [Statistics and Data Science Seminar Series](#) with international experts of the field from all over the world.
- Offer various social and career events, through which you can enjoy the vibrant atmosphere of London, make new friendships and get prepared for your future career.

What are your next steps?

- **Accept your offer:** Fill in the [Offer Reply Form](#) and financial undertaking form within 6 weeks of receiving your offer, if possible. Further details can be found on the [Offer Holders webpages](#). If you have questions about your application or the conditions of your offer, please direct them to the [Graduate Admissions Team](#).
- **Read the Graduate Admissions Offer Pack:** Alongside the [Knowledge Base](#), the [Offer Pack](#) is your go-to resources for frequently asked questions about admission timelines, your offer, accommodation, scholarships and financial support and much more.
- **Join our LSE Statistics Community:** follow our [Instagram](#) and [Twitter](#) accounts.

I am looking forward to meeting and working with you from September! If you have any questions about the programme left, please feel free to contact me (t.wang59@lse.ac.uk).

Best,

Tengyao Wang

MSc Statistics (Financial Statistics)

MSc Statistics (Financial Statistics) (Research) Programme Director
