

Dear **{!Contact.FirstName}**,

Social Life at LSE

GO LSE students join LSE from around the world, representing a range of different backgrounds, interest and experiences. Our students are brought together not only by world-leading academics in the classrooms, but through the many social and community-building events that we host during the year.

This year's events kick off during [Welcome Week](#), when you'll get the chance to meet your Study Abroad peers at the [Welcome Boat Party](#). There's no better introductions to London than cruising down the River Thames, with a drink in hand as you soak in views of some of the city's most famous landmarks!

Later in the year you can expect other social activities and opportunities, including our [Thanksgiving Dinner](#), [term-time socials](#) and the annual [Study Abroad Spring Ball](#), in addition to subsidised weekend trips around London and the UK.

We can't wait to welcome you to the Study Abroad community soon and to LSE in general!

Best wishes,

The GO LSE team

Diogo, Callia, Mark, Rachel & Will
